

Quality

POLICY

- Hobas is an international group with 60 years proven commitment for customer satisfaction and quality excellency.
- We create value for our customers by delivering innovative products and services which meet client specifications and applicable standards.
- Ongoing improvement of quality performance is a key driver of our success.
- Each employee's individual contribution is vitally important to our progress and therefore we provide the resources to ensure world class personnel expertise.
- Our group principles are guided by professionalism, stability, openness and long term vision.
